

JUMBLE

KEILHAUER

Exclusively distributed by **ARCONAS** for the transportation market.

Endlessly adaptable, Jumble is a modular seating collection that transforms waiting areas into welcoming, flexible spaces. Individual cube-shaped seats can be arranged and rearranged to suit the needs of high-traffic environments, creating configurations that evolve as spaces do.

Whether defining gathering areas, supporting passenger flow, or maximizing available space, Jumble brings together versatility, comfort, and clean, contemporary design.

Key features:

- Available with ganging options
