

Green Furniture Concept

## Radius Divider

Space dividers attached to the Green Furniture Nova C Back modular seating. Seamless, and with curvature of choice just like the seating. If the seating row is reconfigured, the dividers will follow. Read more about the Nova C Back [here](#).

The Radius divider comes with cut out holes for a see-through effect (custom patterns possible) or plain which gives a surface where a message or image can be applied.

**Material:** Solid, powder coated steel (color of choice)
