Features

emBARq's sleek, clean design serves a dual purpose, integrating technology and furniture to create a powered work station/table that redefines functionality.

Available multiple lengths to seat up to 8 people, and two heights.

32" height unit is ADA-compliant.

CHARGING AND POWER

emBARq provides multiple options for power and charging: Wireless Qi charging pads and AC, USB-A, and USB-C outlets.

Using OE Electrical components, the outlets can be easily swapped out if the power connection needs to be replaced or upgraded.

OPTIONAL SEATING

Our Bari Stools (above left) and inPower Stools (above center) are ideal seating options to complement emBARq.

THOUGHTFUL DESIGN

Convenient hooks for coats or bags.
