

Fioré

FIORE

Overview

Fiore is an innovative, modular collage of ottomans designed for the young and young at heart. Designed to be arranged to look like a flower with petals, Fiore is based on 2 simple elements – a circular ottoman in the centre, surrounded by five smaller oblong shaped ottomans. The ottomans are lightweight and can be rearranged and moved around easily.

Construction Details

CIRCULAR OTTOMAN

The center ottoman is made from molded polyurethane foam over a core. The core is made from a reclaimed bonded fiber tube capped top and bottom with fir plywood (1/2" top, 3/4" bottom). The core is glued and screwed together. The polyurethane foam exceeds CAL-117 flammability.

OBLONG OTTOMAN

The "petals" are made from molded polyurethane foam over a core. The core is made from rigid EPS foam capped with a top and bottom plate made of plywood (1/2" top, 3/4" bottom). The core is glued together. The polyurethane foam exceeds CAL-117 flammability.

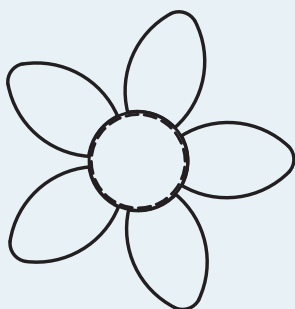

UPHOLSTERY

Upholstery is Arconas standard textiles. The seams around the top edge are French stitched. The cover is stapled to the base and fitted with a dust cover.

ASSEMBLY

Units are shipped fully assembled.

Dimensions

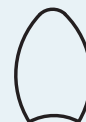

Full Unit

W: 28" (1473 mm)
H: 17" (431mm)
D: 60" (1524 mm)

Circular Ottoman

D: 20" (508 mm)
H: 17" (431mm)

Oblong Ottoman

W: 21.5" (546 mm)
H: 14.5" (368 mm)
D: 15" (381 mm)
